

Westchester County Department of Environmental Facilities 2024 Private Hauler Biannual Report Form

Due Date: August 16th, 2024

Reporting Period: First half of 2024 — January 1, 2024 through June 30, 2024

Your company is required to retain, compile, and report the information requested on this form pursuant to your Westchester County Solid Waste Commission license. Failure to submit this form could subject your company to an administrative fine of up to \$5,000.

Instructions:

1. Report tonnage and/or cubic yards of solid waste and recyclables collected in Westchester County **January 1, 2024 through June 30, 2024, excluding** materials collected under contract with a local municipality or from residents living in **North Castle, New Castle, Bedford, Pound Ridge, Lewisboro, Somers & North Salem**. Such municipalities will report this information to the county on their own.
2. **Table A (pages 4–8) RECYCLABLES:** Report materials recycled.
 - A1: Single and dual-stream curbside-collected recyclables (mixed paper, glass, metal, and plastic), delivered directly to a transfer station
 - A2: Metals collected separately
 - A3: Organics
 - A4: C&D material recycled (not disposed of as garbage)
 - A5: Other recyclables collected (e.g. electronics, tires, textiles, etc.)

Table B (page 10) GARBAGE: Report all municipal solid waste that is NOT recycled.

Table C (page 12) C&D DEBRIS DISPOSED: Report all Construction & Demolition waste that is NOT recycled.

3. Return this report by e-mail (preferred) to:
sma9@westchestercountyny.gov AND tmth@westchestercountyny.gov

Reports can also be mailed or faxed to:

Stephen Abenavoli
Westchester County Dept. of Environmental Facilities
270 North Ave (Floor 6), New Rochelle, NY 10801
Fax: (914) 813-5460

4. For assistance contact Stephen Abenavoli at (914) 813-5438 or sma9@westchestercountyny.gov

Date

Print Name

Instructions: In Table A, provide information on materials **recycled**. List the names and addresses of all transfer stations or processing sites used for deliveries of the various categories of recyclable material listed below. Provide total quantities of material delivered to each site in either tons or cubic yards.

IMPORTANT NOTES

- **Please be careful not to report quantities of materials twice within this report.** If a breakdown in tonnage or cubic yards is available for any single item, provide that information separately on the following pages.
- Reported quantities should NOT INCLUDE materials collected **under contract** with a local municipality or from residents living in **North Castle, New Castle, Bedford, Pound Ridge, Lewisboro, Somers, and North Salem**. Such municipalities will report this information to the county on their own.
- **Do not report materials collected by a subcontractor, the subcontractor will submit their own report.** Only report materials handled directly by your company.

[REMAINDER INTENTIONALLY BLANK]

Table A: Materials Recycled

#	A1. Recyclables (Collected and Delivered Mixed)	Transfer Station or Processing Facility Destination: (Company Name; Town/City, State)	Amount of Material	Unit of Measurement (Tons or Cubic Yards only)	Material Origin (Only check if Collected from a Transfer Station)
1	SINGLE STREAM (paper mixed with glass, plastic & metal containers)				
2					
3					
4					
1	Commingled (glass, plastic & metal)				
2					
3					
4					
1	Mixed Fiber (corrugated cardboard, newspaper, junk mail, magazines, paperboard or boxboard, etc.)				
2					
3					

RECYCLABLES

Table A (cont'd): Materials Recycled

#	A2. Metals Recycled (Collected and Delivered Separately)	Transfer Station or Processing Facility Destination: (Company Name; Town/City, State)	Amount of Material	Unit of Measurement (Tons or Cubic Yards only)	Material Origin (Only check if Collected from a Transfer Station)
1	Aluminum (includes containers & foil)				
2					
3					
1	Tin/Steel				
2					
3					
1	Bulk Scrap Metal (includes enameled appliances or white goods)				
2					
3					
1	Lead Acid Batteries				
2					
3					
4					
1	Other Metal (specify):				
2					
3					

RECYCLABLES

Table A (cont'd): Materials Recycled

#	A3. Organics Recycled	Transfer Station or Processing Facility Destination: (Company Name; Town/City, State)	Amount of Material	Unit of Measurement (Tons or Cubic Yards only)	Material Origin (Only check if Collected from a Transfer Station)
1	Mixed Yard Waste (leaves, grass, brush, branches)				
2					
3					
1	Trees & Stumps (only if separate from Mixed Yard Waste above)				
2					
3					
1	Fat/Oil & Bone				
2					
3					
1	Commercial Food Scraps (kitchen scraps, grocery & restaurant food waste)				
2					
3					
1	Residential Food Scraps				
2					
3					
1	Manure				
2					
3					
1	Other Organics (specify):				
2					

RECYCLABLES

Table A (cont'd): Materials Recycled

#	A4. C&D Debris Recycled	Transfer Station or Processing Facility Destination: (Company Name; Town/City, State)	Amount of Material	Unit of Measurement (Tons or Cubic Yards only)	Material Origin (Only check if Collected from a Transfer Station)
1	Asphalt/Pavement				
2					
3					
1	Concrete				
2					
3					
1	Brick/Rock				
2					
3					
1	Soil (clean)				
2					
3					
1	Petroleum Contaminated Soil				
2					
3					
1	Wood				
2					
3					
1	Drywall				
2					
3					
1	Roofing Shingle				
2					
3					
1	Other C&D Debris recycled but not reported elsewhere (specify):				
2					

RECYCLABLES

Table A (cont'd): Materials Recycled

#	A5. Miscellaneous Recycled	Transfer Station or Processing Facility Destination: (Company Name; Town/City, State)	Amount of Material	Unit of Measurement (Tons or Cubic Yards only)	Material Origin (Only check if Collected from a Transfer Station)
1	Electronics				
2					
3					
1	Tires				
2					
3					
1	Wood Pallets				
2					
3					
1	Textiles				
2					
3					
	Other Miscellaneous (specify):				
1					
2					
3					
4					
5					
6					
7					

MUNICIPAL SOLID WASTE

Instructions: In Table B below, provide information on **municipal solid waste disposed**, i.e. garbage, *not recycled* (Information on materials recycled should only be reported in Table A on pages 4 through 8). List the names and locations of all transfer stations or disposal sites used for deliveries of materials that are not separated for reuse or recycling. Provide total quantities of material delivered to each site in either tons or cubic yards.

Reminder: Reported quantities should NOT INCLUDE materials collected **under contract** with a local municipality or from residents living in ***North Castle, New Castle, Bedford, Pound Ridge, Lewisboro, Somers, and North Salem***. Such municipalities will report this information to the county on their own.
